

The following data is taken from post-service evaluations filled out by administration from 56 different schools.

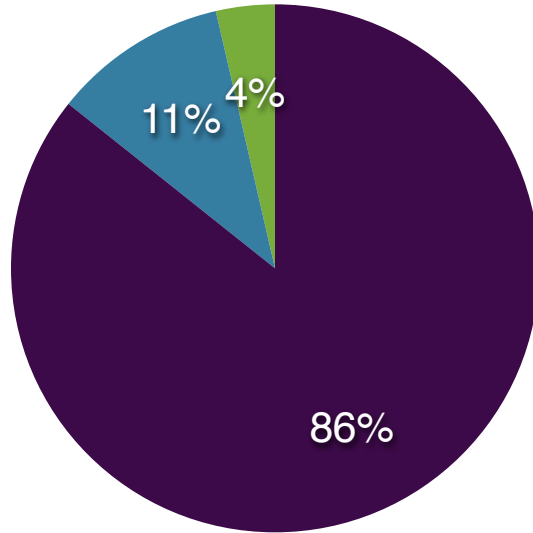

Schools were asked to rate our Character Education/Energy Conservation student assemblies in 12 areas. Additionally, they were asked whether they would refer our service or not to others.

This was their response:

On a scale of 1-5, 5 being the best and 1 being the worst, please rate us in the following areas:

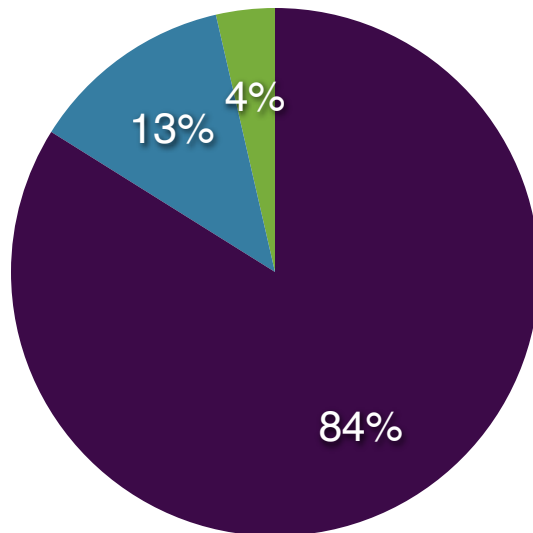

**% of Schools That Believe The Character/Energy Conservation Message Was Delivered Well & Understood**

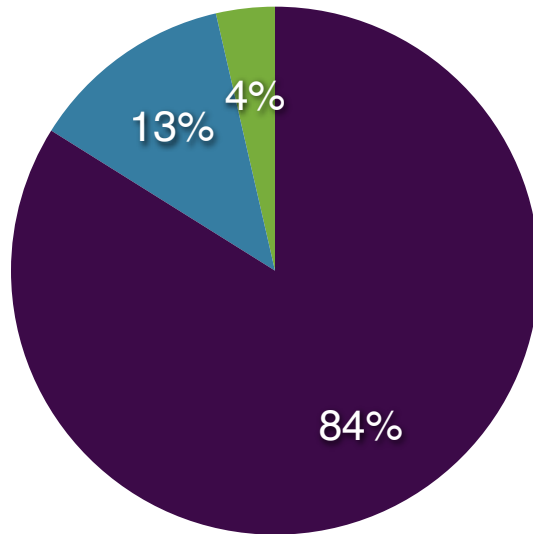

● Absolutely ● Strongly Agree ● Agree ● Disagree ● No Way!

**% of Schools That Believe The Presentations Increased Their Awareness of Energy Conservation**

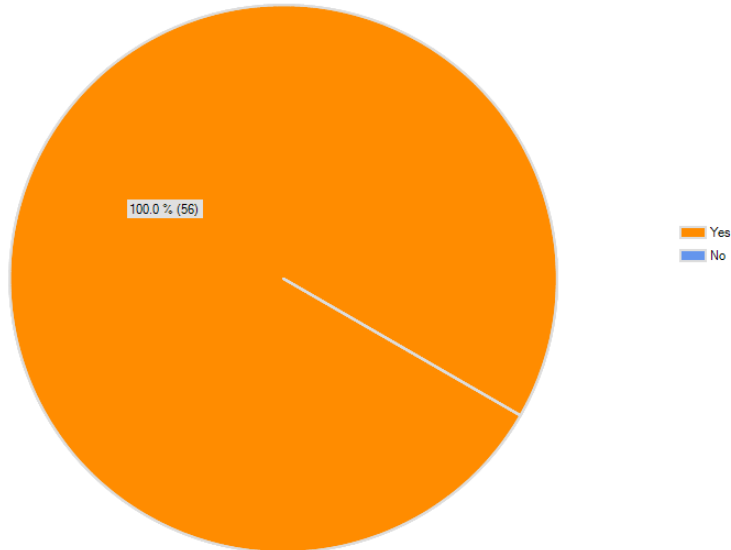

● Absolutely ● Strongly Agree ● Agree ● Disagree ● No Way!

**% of Schools That Believe The Presentations Increased Their Awareness of APS As An Electric Company**

● Absolutely ● Strongly Agree ● Agree ● Disagree ● No Way!

Would you recommend Big Mouth Presentations and the APS mini-grant to other schools/organizations?
